## June 25-August 17 Summer Plans

Summer semester is an 8-week session. Staff will be contracted for the full term so it is not an option to reduce days or weeks and work around vacations. Payment will be figured on the full 8 weeks. There are 47 people requesting services for summer and fall. Please help us honor you by communicating your plans.

## Full House "In"-Flexibility

The Children's Learning Center is at capacity. If your child is absent, it is not an option to make up the day(s) as every day is full. Thank you for understanding and allowing us to deliver quality programming that falls within state mandates and national accreditation guidelines.

## When You Do...Please Do

We have some new teaching assistants at the CLC. When you see a new face, please introduce yourself and offer your support to: *Samantha Byrne, Mary Chicha, Becky Kasper, Dynesha Stover-McDonald*  
Substitutes: *Heather Waugh and Susan Eldredge*

## Relax...Redo

While spring term calls some to relax, it is a very busy time at the Center and a huge opportunity to "re-do." Thank you Miss Carol & Miss Cindy for your oversight. Some of the "re-do's" include:

- Sanitization of all cots
- Planting/fencing of the playground garden
- Complete wash down of the center...from walls to refrigerators to cubbies to bottoms of tables and chairs!
- Floors were buffed/waxed
- New cabinets were installed in the teacher work areas
