

## Get Ready to take a "Reading Road Trip" Across America and Across the World!

Scholastic book fair officially opens next week. Consider being a "book partner" and assisting our children in making a book that will travel to some friends via Dr. Xiadan Huang's suitcase over Spring break to the Guandong Teacher's College of Foreign Languages & Art and Dr. Li Wenge. Book sponsors are needed (\$6.00 per kit) and book making partners are needed. Clipboard sign-up is on Book-Fair Blvd. at the intersection of Amanda Avenue, Hetty Highway, Teresa Turnaround, Carol Court, and Cindy Street.

**Volunteers are needed for the following:**

1. Be a host for visiting "book-fair" international students & parents with CLC Children.
2. Operate the register during open hours of book fair.
3. Sponsor a \$6.00 book kit!

### Smile & Say "Spring!" Spring Portraits Rescheduled

"Old Man Winter" forced the delay of school pictures but spring prevails! The reschedule days are Tuesday and Wednesday, February 19 & 20, beginning at 9:00. Siblings may be photographed as well. Choose your selection pose on the Lifetouch National School Studios flyer and see the pictures before you make a decision to purchase. Smile! It's Spring Portrait Week!

### Do You Hear What I Hear?

The CLC will be conducting hearing screenings on Tuesday and Wednesday, Feb. 19 & 20 as a routine opportunity just as we did vision screenings in the fall. **Signed permission forms are required.**

### What Do the Names

#### Stockham & Davis Have in Common?

They are one and the same. That happened on January 19 when Miss Teresa married Russ Davis. It should come as no surprise that she fell in love with a teacher who is inspiring and loves music. Mr. Russ is Director of Choral and Instrumental Music at Greenup County High School. Congratulations to Mr. & Mrs. Russ Davis!

**Enrichments are cancelled next week due to the book fair!**

**Can You Draw? Paint? Cut?** Our preschool children can...and they need your help to create a rich literacy environment for next week's "Reading Road Trip!" Let Miss Cindy know of your availability and she'll give you the roadmap to make this the best Book Fair yet!

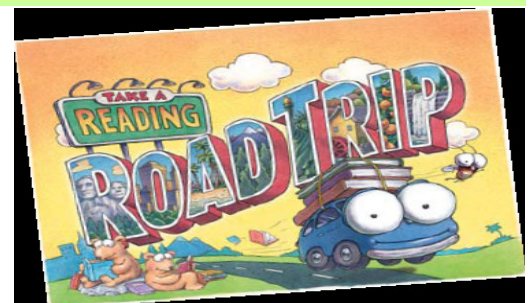

### Enrichment Extensions...Ola!

If your child (children) are enjoying their Spanish and Gymnastic class experiences, and you would like to extend them for another 6 weeks, please put your interest in writing to Miss Carol. Ola!

### Vacation Items Needed...

#### Set the Environment to Inspire Literacy!

Large metal or plastic cars, snow globes of landmarks, race car mats/rugs...share them to inspire literacy! Bring your items to the Center anytime this week. Keep your ears open for all the places we will travel next week...and prepare yourself as some of our roads might take us all the way around the world!
