

Children's Learning Center

Full House Flexibility

The Children's Learning Center is at capacity. While licensing would permit 24 children in each classroom, NAEYC, our national accrediting organization advocates 20. With the requested changes for spring term, Miss Hetty will have over 20 children on M/W and Miss Teresa will have over 20 on T/Th. For these reasons, we cannot add any days to contracts and if you have any flexibility in your schedule, please let Miss Carol know so we can provide the optimum learning experience for all children.
