

TRIKE-A-THON: KIDS HELPING KIDS!

Here's what our teachers had to say about Trike-A-Thon:

The children enjoyed completing our lessons as we learned about bicycle safety during the Trike-a-thon. We learned to 1) Be careful near driveways, 2) Watch where you are going, 3) Always wear your helmet, and 4) Never ride in the street. Each child participated in the Trike-a-thon and rode their bike to help raise money for St. Jude's. The Trike-or-Treat Walk was the highlight of the week as the children paraded across campus collecting treats and donations.

Parents:

You have until November 11 to turn in your donations for St. Jude's Hospital. Your donations along with donations from other university employees will together show our love and support to other children and families in need. **Thank you** for helping our children learn what caring for other children truly means.

A Very Special Thank You...

to all of our university friends who gave during the "Trike or Treat" Campus Costume walk last Thursday. Their donations will be sent along with our family donations to the children of St. Jude's Hospital.
