

August 7, 2007

Your Child is about to be inducted into the official

Shawnee State University Children's Learning Center "Bear Cub" Program! Below is a copy of the "Bear Cub Rules" so you can put them on your refrigerator and support their learning in advance of our Open House on Thursday, August 23 and Opening Day, Monday, August 27. The "Bear Cub" rules are:

-  Take care of yourself.
-  Take care of others.
-  Take care of your school.

A very excited staff is looking forward to meeting all our boys, girls, mom's, dad's, grandma's and grandpa's. You see, the Children's Learning Center is about children and families. If you are returning, you are already a part of the CLC family. If you are new, a rich partnership awaits!

All required paperwork must be completed prior to fall admission for both new and returning children. Attendance is predicated on complete and accurate records as required by state licensure and a signed contract with the accompanying payment.

Please note the required supplies on the reverse side and let your child go shopping with you. It's a great way to build excitement about what this experience will offer!

Mark your calendar and let's take time to get acquainted at our fall Open House. Besides meeting the staff, delivering your back-to-school supplies, finding your child's cubby, and visiting your classroom, allow enough time to meet with the director at a 20-minute drop-in session where program updates will be shared and new handbooks will be distributed! We look forward to seeing you on:

Thursday, August 23
Open House
4:00-6:00

Thanks for making the Children's Learning Center your preschool of choice, and again, we look forward to seeing you at Open House and Opening Week, August 27.

SSU Children's Learning Center... "where children come first."

A few reminders:

- Preschool begins daily at 9:00 sharp. Being on time assures that important curricular issues won't be missed and the class won't be disrupted. If your child will be late or absent, call before 9:00 so meal accommodations can be made, otherwise your account will be billed the \$5.00 catering fee.
- Children should eat breakfast before they come, however, a light breakfast and afternoon snack will be served in addition to lunch. Also, if it is a sunscreen day, please apply it prior to arrival.
- Class assignments have been made according to a number of criteria including gender, ages of returning students, days of attendance, special needs, etc. Changes are possible up until the day we open. Thanks for your patience and understanding as we seek to balance all of the factors necessary for a successful experience.
- Parents are welcome to be a part of the CLC Advisory Committee. Sign up on the counter and/or see Miss Carol or Miss Cindy if you have an interest.
- **Please bring first day items and quarterly supplies to Open House:**
 - ✓ Complete change of labeled clothing including shirt, pants, underwear, socks
 - ✓ Small blanket, beach towel, and pillow or soft toy for rest time
 - ✓ *All other toys should be kept at home unless the teacher requests otherwise.*
