

Library Cards

The Bookmobile will be visiting the CLC once a month. Our first visit will occur on September 17-18. Children whose parents have completed the Portsmouth Public Library card application will be able to check out books at that time, however, the return of those books is the responsibility of the parent(s). Books are checked out for 20 days and can be returned to the book drop at the Portsmouth Public Library...or better yet, use your book return time as an opportunity for a special library visit between you and your child.

Playground Progress

A walk addition, a slab for the drive-through playhouse, & installation of the new fence are expected this week with the soft surface installation and a gravel digging pit soon. Currently the children are enjoying their invented games as we wait completion of the new additions.

Friends Jackson & Mariah run from the blowing fence, inventively enjoying each step of progress!

Miss Cindy is entering Usernames and Passwords into the system as permission forms are completed. Once authorized access is secured, you will receive a copy of your form back verifying your Logins with changes to meet the system requirements. If you have trouble logging on at that point, follow the site prompts and contact:

**KidsVision at 1-888-KidsVis
or 1-888-543-7876.**

Parent Alert...A Big Bear Rule

Children, including siblings, have to be with an adult when in the building or on the playground. Enrolled children should be delivered to receiving staff upon entering and remain with parents at pick up until exiting the building. Thanks for "taking care of yourself and others" by following this school rule.

Hold Please...

It is not possible to honor day changes/adds until the dust settles on our enrollment. Once we are stable, if we have room for new friends, we will fill slots at that time from our newly formed and filling Waiting List, with priority given to SSU students and current families. Thank you for your patience as we do our best to meet your changing needs.

CLC Art Gallery... Experimenting with Color & Shapes

The bare walls of the Center have transformed into a children's art gallery. Take time to visit their art and see experimentation and learning at work!

Bear Cubs who know the rules.

These children are following the rules...taking care of themselves, their friends, sitting quietly, listening to the story.
